From the Office of the First Lady:

We are planning a wonderful Wyoming celebration for the 143rd Annual Communication, and we are so appreciative of our visiting representatives and all the Ladies of the Grand Lodge of Wyoming who will be joining us in Cheyenne! We are looking forward to greeting you all for the continuation of this wonderful Masonic tradition in our great State!

Following the Lady's Luncheon on Monday, August 14th we have made arrangements for the Cheyenne Street Railway Trolley to provide old-time trolleys to transport the ladies from the hotel venue to the historic, downtown Cheyenne shopping district or to the Cheyenne Botanical Gardens for an afternoon of shopping or a beautiful walking tour through the high mountain gardens in their summer bloom! We hope these tours will add to your Cheyenne Experience! Keep in mind that Cheyenne also has the Frontier Mall just a short drive from the hotel for a complete, modern shopping experience and you can always visit the historic Capital District, which is the center of our State government!

For those of you flying into Denver International Airport, in addition to a full line up of rental vehicles, there is a regularly scheduled shuttle travelling from DIA to the Radisson in Cheyenne. Please contact Green Ride at 888-472-6656 or www.greenrideco.com for schedules and pricing. If you fly into Cheyenne Regional Airport the Masonic Brothers in Cheyenne will be there to provide transportation to the hotel.

Thank you in advance for joining us in beautiful Cheyenne, Wyoming for the 143rd Annual Communication of the Grand Lodge Ancient Free and Accepted Masons of Wyoming! We are looking forward to seeing everyone for this great event! See you in Cheyenne!

Sincerely:
